 SRA

**Paths Forward**  
**Organizational Learning & Culture**  
 Strategic Transformations  
 Chief Learning Officer  
**Technologies in Non-hierarchical & Non-capitalist Organizations**  
 Research Learning Training

- Research**
- What ethical frameworks are embedded in our algorithms?
  - How do non-hierarchical & non-capitalist organizations utilize ICTs and Social Media?
  - How do we make sense of information from diverse sources?
  - How do we understand other cultural landscapes of information?

**Ontologies**
